

Runnable

```
classDiagram
    class Runnable
    class amsCardConnection["ams.CardConnection"]
    amsCardConnection --|> Runnable
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin gray border containing the text "Runnable". Below it is a gray rectangular box with a thick black border containing the text "ams.CardConnection". A solid blue arrow points vertically from the top center of the "ams.CardConnection" box to the bottom center of the "Runnable" box, indicating that "ams.CardConnection" inherits from "Runnable".

ams.CardConnection
